Trip Cancellation Insurance Information

As the tourist industry faces many changes on a continual basis, it is highly recommend to have trip cancellation insurance to cover unexpected situations while traveling. **HOLY LANDS REVEALED** offers a policy through CSA Travel Protection (CSA) which has generally adequate coverage for the travel programs provided.

Traveling with CSA Vacation Guarantee or the CSA Comfort Plan provides unique insurance coverage, specially designed to protect your travel investment from events such as, but not limited to, unexpected sickness or injury, hurricanes or other natural disasters, labor strikes, lost baggage and emergency medical expenses (coverage is according to CSA's policy only).

There are other travel insurance programs available. Program Participants are welcome to research other travel protection. **HOLY LANDS REVEALED** in no way acts as an agent for CSA and is not liable or responsible for the decisions made by that company.

HOLY LANDS REVEALED urges you to consider travel insurance should unforeseen events occur.

- Yes, I will be purchasing CSA travel insurance by sending in the enrollment form with payment to CSA Travel Insurance & Assistance Service (enrollment form will be sent to you upon receipt of this reservation form).

Identity Theft Monitoring and Restoration / Legal Plans Information

Given as information to you by **HOLY LANDS REVEALED** - Independent Associate

The FBI reports that Identity Theft is the fastest growing crime affecting North Americans today, **HOLY LANDS REVEALED** strongly recommends (as required by law to use reasonable efforts to protect **HOLY LANDS REVEALED**'s clients) that you get Identity Theft Shield and Restoration along with a Pre-Paid Legal Plan.

Problems related to identity theft deal with more than credit issues. In fact, only 26% of identity theft issues relate to credit. The other 74% of issues relate to areas such as Drivers Licence Identity Theft (other's traffic violation end up on your record), Medical Information Identity Theft (others get treatment on your identity causing your incurrence to be canceled), Character Identity Theft (arrested for crimes in your name), and/or Social Security Identity Theft (others get paid on your SSN making you liable for taxes). **Only the 'Identity Theft Shield' combined with a 'Pre-Paid Legal Plan' provides an effective solution in North America to multiple forms of Identity Theft Before, during, and after an event.**

To facilitate travel, personal identity information (such as, but not limited to, birth date and passport information) is given to hotels, airlines, ship companies, owners or contractors providing accommodations, transportation and/or other service providers numerous times. Therefore, the services offered by Pre-Paid Legal Services are recommended and may mitigate serious damages.
